ASSISTANT UNITED STATES ATTORNEY

SUBJECT: VISIT AT MY RESIDENCE FROM [redacted]

7(C) 7(D) On Saturday, May 20, 1967, at approximately 4:00 o'clock p. m. [redacted], the door bell rang. I answered the door bell, and it was [redacted] [redacted] from the office of District Attorney Garrison.

7(C) 7(D) I invited [redacted] into the home. He advised me that he wanted to talk to me.

We went to the den, and he informed me that he had received a subpoena to testify at a deposition on Monday (May 22, 1967) in the case involving Dean Andrews and Garrison. Civil damages

After briefly describing the fact that he had received the subpoena and that he did not know exactly what to expect, as he was not familiar with federal procedures, I suggested that he retain an attorney to counsel and represent him in the matter. States Attorney. [redacted] also knows me, as I understand, is very friendly with one of my neighbors, [redacted]. This will possibly account for his coming to my house—that is, [redacted] was probably visiting [redacted] home and decided to visit me because he was in the neighborhood. [redacted] on one occasion within the last 6 months saw me in my front yard, as he went to visit [redacted]
